HISTORIC AMERICAN ENGINEERING RECORD

MOUNTAIN HOME VETERANS ADMINISTRATION MEDICAL CENTER,
BOILER PLANT AND SMOKESTACK
HAER TN-1-A

Location: Mountain Home, Johnson City vicinity, Washington
County, Tennessee.

Date of Construction: Medical Center established in 1901; buildings
constructed 1903-1908.

Present Owner: Veterans Administration, Washington, DC 20420.

Present Use: Demolished.

Significance: Part of medical center developed and constructed as a
complete, architecturally consistent complex. Home
branches of the Veterans Administration were perhaps
the first non-religious planned communities in the
nation; they were also the earliest integrated federal
facilities in the history of the country.
